

O/w No. MSIDC/1913/2025

Date: 16/09/2025

To,
Executive Engineer,
MSIDC
(All region)

Subject: - Preferred Vendor for Cement, Reinforcement Bars, Concrete fiber, Paints, Construction Chemicals, Construction Materials, Building Materials and Precast products.

Reference: - Offline Proposal for invitation of the vender approval letter no. MSIDC/GN /387 /2025 dated 24.03.2025.

With reference to the above subject, certain manufacturers have expressed interest in supplying construction materials or products for the works undertaken by the Maharashtra State Infrastructure Development Corporation (MSIDC) for ongoing HAM and building works.

It is proposed that construction materials or products be incorporated into HAM (Hybrid Annuity Model) Projects to enhance carbon credit generation and foster green infrastructure development.

This includes various concrete road products such Cement, Reinforcement Bars, Reinforcement Protection coating Concrete fiber, Paints, Construction Chemicals, Construction Materials, Building Materials and Precast products used in PQC concrete roads, which were scrutinized by HQ, MSIDC and shortlisted as Preferred Vendor for MSIDC HAM Projects.

Inform it is to that MSIDC has approved products for A and B Category (Category restricted only for Cement and Reinforcement) based upon Project costing 50 Cr. And below 50 cr. Respectively.

Inform it is to that MSIDC has approved products for I, II and III Category (Category restricted only for Construction Chemicals expect CDA) based upon Company Turnover, Asset and Profitability, Manufacturing facility/ factory details and working experience.

1. Category restricted for cement and Steel

- a) A category product qualifies for all project with MSIDC costing above 50cr.
- b) B category product qualifies for all project with MSIDC costing below 50cr

2. Category restricted for Construction Chemicals (apart from CDA)

- a) **I category Construction Chemicals (apart from CDA)** qualifies for all HAM projects with MSIDC for all category is based upon Company Turnover, Asset and Profitability, Manufacturing facility/ factory details and working experience.
- b) **II category Construction Chemicals (apart from CDA)** qualifies for all HAM projects with MSIDC up to 100cr., category is based upon Company Turnover, Asset and Profitability, Manufacturing facility/ factory details and working experience.
- c) **III category Construction Chemicals (apart from CDA)** qualifies for all HAM projects with MSIDC up to 50cr, category is based upon Company Turnover, Asset and Profitability, Manufacturing facility/ factory details and working experience.

Other products/materials such as Construction/ Building Materials, Paints, Glass Fiber Reinforce Polymer Rebar (GFRPR), Concrete fibre, Crystalline Durability Admixtures, GGSB and Precast Product.

GFRP approval and usage

- Use of GFRPR products shall be permitted only after prior approval from MSIDC.
- These products shall be used strictly for non-structural works, i.e. Divider, Utility drainage, etc.
- Incorporation of GFRPR products will be allowed only after final written approval by HQ, MSIDC.

GGBS Usage

- Only Ground Granulated Blast Furnace Slag (GGBS) shall be used.
- Flyash shall not be permitted under any circumstances.

Stock Photos Documentation

- Stock photos of materials shall be uploaded on MSIDC Portal with site name and latitude/longitude coordinates.
- Photos of stock with concern (AE) / ITF / Site Supervisor with latitude/longitude and site name shall be uploaded on MSIDC Dashboard portal.

Note: - Preferred vendor for supplying, Thorough verification of vendor documents will be carried out at the time of source approval by approved ITF. The document mandates a zero-tolerance policy for preferred vendors who submit forged or invalid documents. Necessary action will be initiated against vendors in case of any discrepancies or malpractice.

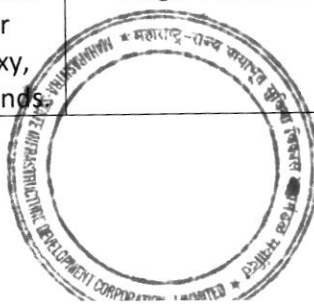

List of Preferred Vendors

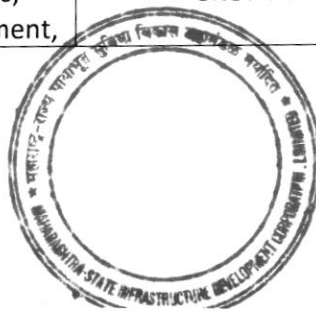

Sr. No.	Category	Product	Brand Name (If any)	Category(Class)
1	Cement	OPC, PPC	ACC/Ambuja	A
2	Cement	OPC, PPC, PSC	Ultra Tech	A
3	Cement	OPC, PSC, GGBS, Microfine GGBS	JSW CEMENT	A
4	Cement	OPC 43, OPC 53, MULTICEM (PPC)	RCCPL Private Limited (MP Birla Cement)	A
5	Cement	OPC-43, OPC-53 & PPC	DALMIA CEMENT	A
6	Cement	OPC-43, OPC-53 & PPC	SHREE CEMENT	A
7	Cement	OPC-43, OPC-53 & PPC	Kalburgi Cement (Victa Cement)	B
8	Cement	OPC-43, OPC-53 & PPC	CHETTINAD	B
9	Cement	OPC-43, OPC-53 & PPC	ZUARI CEMENT	B
10	Cement	OPC-43, OPC-53 & PPC	ORIENT CEMENT	B
11	Reinforcement Protection coating	Glass Fiber Reinforce Polymer Rebar (GFRPR)	Musclerbar Composit (P) Ltd.	NA
12	Reinforcement Protection coating	Glass Fiber Reinforce Polymer Rebar (GFRPR)	JAM INFRA PVT. LTD. VANTAGE REBAR	NA
13	Reinforcement Bars	TMT bars	JSW Steel	A
14	Reinforcement Bars	TMT bars	TATA Tiscon	A
15	Reinforcement Bars	TMT bars	Jindal Panther	A
16	Reinforcement Bars	TMT bars	SAIL	A
17	Reinforcement Bars	TMT Bars of Grade Fe500 to Fe 550D (8mm to 32mm) CRS, Round Bars and Fusion Bonded Epoxy coated TMT Bars	Rashmi Reshmi Metaliks limited. TMT Bars	A

Sr. No.	Category	Product	Brand Name (If any)	Category(Class)
18	Reinforcement Bars	TMT bars of Grade Fe 500, Fe 550D, Fe 550, Fe 550D CRS, 8mm to 32mm) and MS Round Bar 32mm	SRJ Peety Steels Pvt Ltd.	B
19	Reinforcement Bars	TMT bars of Grade Fe 500, Fe 550D, Fe 550, Fe 550D CRS, (8mm to 32mm) and MS Round Bar 32mm	Metaroll TMT	B
20	Reinforcement Bars	MS TMT bars of (8mm to 32mm) Sarthak TMT	SKA ISPAT Pvt. Ltd.	B
21	Concrete Fiber	Fiber for Concrete (M.S Steel Fiber, M.S Steel Wool, M.S Steel Powder, Concrete Fiber)	Purushottam Steel Wool Industries (PREMIX)	NA
22	Concrete fiber	Construction Fiber	Heliaks OPC Pvt. Ltd.	NA
23	Construction Chemicals	Admixtures, Water proofing, Epoxy, Curing Compounds, Bonding agent, Carbonation and corrosive Protection Coating,	Kansai Nerolac Paints Limited	I
24	Construction Chemicals	Protective Coating (Admixtures, Water proofing, Epoxy, Curing Compounds, Bonding Agent, Carbonation and corrosive Protection Coating, Grouts etc.)	KUNAL Conchem Pvt. Ltd.	I
25	Construction Chemicals	Protective Coating, Admixtures, Berger HS, Surface Treatment, Micro Silica. Water proofing, Epoxy, Curing Compounds,	Berger Paints India Ltd.	I

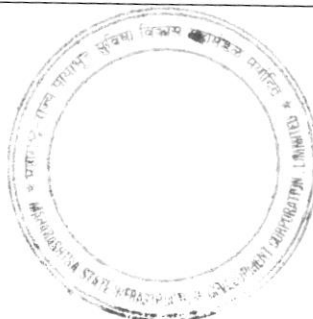

Sr. No.	Category	Product	Brand Name (If any)	Category (Class)
26	Construction Chemicals	Protective Coating (Admixtures, Water proofing, Epoxy, Curing Compounds, Carbonation and corrosive Protection Coating, Grouts, Sealants etc.)	THERMAX LIMITED	I
27	Construction Chemicals	Admixture - Coreflow 120, Coreflow PQC, Faircrete C, Chemcore Fibre, Curing Compound - Faircure RA	Fairmate Chemicals Pvt. Ltd.	I
28	Construction Chemicals	Admixtures, Water proofing, Sealants, Curing Compounds, Road Marking, Road Surfacing Segmental Bonding, Anti Carbonation, Corrosion Inhibiter, PQC Crack repair-Epoxy EP-10	STP Limited	I
29	Construction Chemicals	PCE based Admixture, curing compound, Corrosion Inhibitor, Shuttering oil, Micro Silica	CAC	I
30	Construction Chemicals	Admixture, Curing Compounds, Polysulphide Sealant, Micro Silica	Yahska Polymers Pvt Ltd	II
31	Construction Chemicals	Admixtures, Water proofing, Epoxy, Curing Compounds, Carbonation and corrosive Protection Coating, Grouts, Sealants	APPLE CHEMIE	II
32	Construction Chemicals	Protective Coating (Admixtures, Surface Treatment,	SKOF INDIA	II

Sr. No.	Category	Product	Brand Name (If any)	Category (Class)
		Micro Silica. Water proofing, Epoxy, Curing Compounds, etc.)		
33	Construction Chemicals	Concrete Admixtures, Micro Silica, Curing Compounds, Rheofibre, TTCl	Rheoplast Technology Pvt.Ltd	II
34	Construction Chemicals	Polyalk CP 293, Polytancrete HP, Flexiroof PU, SungeogROUT, Sungard LCNR Epoxy Sungard APR PU, Sunext 8, Rusticide, Sunepoxy CoalTar, Sunepoxy HB Food Grade High Build Epoxy, Sunpolicure I, Sunpolicure W	Sunanda Speciality Coatings Pvt. Ltd.	II
35	Construction Chemicals	Cryso Concrete admixtures, Water Proofing Systems, and repair solutions	Cryso Infra Pvt. Ltd. (Saint Gobain)	II
36	Construction Chemicals	TamCem Admixture Series (PCE Based Admixture	Normet India Pvt. Ltd.	II
37	Construction Chemicals	Admixtures, Water proofing, Grout, Sealant, Epoxy, Curing Compounds, Bonding agent, Carbonation and corrosive Protection Coating	Redwop Chemicals Pvt. Ltd.	III
38	Construction Chemicals	Conflow PC, Coronil 500, Curicomp 100, Crystamix 300, Joinseal 150, Microfine 100, Confib 200, Conseal 600, Poroseal 550, EpgROUT PR 2110, Flowcrete	Vyankatesh Chemical Industries (Dr. Concrete)	III
39	Construction Chemicals	Concrete Super plasticizer, Curing Compounds, Poly Caroxylic Ether (PCE)	AARADHYA CHEMICALS	III

Sr. No.	Category	Product	Brand Name (If any)	Category(Class)
39	Construction Chemicals	Protective Coating (Admixtures, Surface Treatment, Micro Silica. Water proofing, Epoxy, Curing Compounds, etc.)	Resikon Supermax (Anuvi Chemicals Ltd.)	III
40	Construction Chemicals	VAC CONACRE SCC, V FLEX-PP fiber, VAC Ferrocure Liquid Corrosion inhibitor, Crackcare Paste AC	VAC Buildcare Pvt. Ltd.	III
41	Construction Chemicals	PCE based Superplasticizer Admixture	Associated chemicals	III
42	Construction Chemicals	Admixtures, Curing Compounds	ADD Chem Industries	III
43	Construction Chemicals	Protective Coating (Admixtures, Water proofing, Epoxy, Curing Compounds, Carbonation and corrosive Protection Coating, Grouts, Sealants etc.)	IKA	III
44	Paints	Paints	Asian Paints	NA
45	Paints	Paints	Nerolac Paints	NA
46	Construction Materials	Membrane Sheet (LDPE), Dowel Bar Cap and Backer Rod	AADI Industries	NA
47	Construction Materials	Membrane Sheets, Plastic bags, Plastic Sheets, garbage bags, Warning Tapes.	Bharat Plastic Button Works	NA
48	Building Materials	Door	Shakti Hormann Pvt. Ltd.	NA
49	Precast	Precast storm water drain, cable trench, box culvert, retaining wall	Fuji Silvertch	NA

This is a list of Preferred Category on the basis norms decided by MSIDC and all earlier vendor approval lists are superseded.

Please find below the Role and responsibility for Authority Engineer (AE) & Independent Testing Firm (ITF) to adopted for source approval.

Role and responsibility for Authority Engineer (AE)

1. Source approval for various materials/ Products is as per SOP attached herewith.
2. Only MSIDC preferred vendors from vendor list are to be considered.
3. Invoices and LR copy of all the materials and products are to be verified at delivery time (Quantity & Quality) and maintained in case of surprise check.
4. Upload photos with geo-tag and name of site with AE, ITF and Site Supervisor during execution of work with preferred material on MSIDC Dashboard.
5. Quantity consumption of various products/ materials used in HAM projects should be as per IRC guidelines.
6. Test reports of material tested are to be uploaded on MSIDC Dashboard. Along with undertaking (Specimen Attached herewith)

Role and responsibility for Independent Testing Firm (ITF)

1. Source approval for various materials/ Products is as per SOP attached herewith.
2. Only MSIDC preferred vendors from vendor list are considered.
3. Tests carried out on sources & products are as per IRC guidelines/ MORT&H/ IS Code etc.
4. Invoice and LR copy of all the materials and products are to be verified at the time of delivery (Quantity & Quality) and record is maintained.
5. Test reports of material tested are to be uploaded on MSIDC Dashboard. Along with undertaking (Specimen Attached herewith)

All concerned EE's/AE's/ITF's are strictly instructed to incorporate products from the preferred list of vendors in HAM works.

This approval is subject to:

1. Compliance with relevant MoRTH/IRC/IS Codes & MSIDC Specifications.
2. Periodic review and re-verification of vendor performance by MSIDC/ITF.
