Redwop Chemicals Pvt. Ltd  
Rajkot,  
Gujarat.

Dear Sir/Madam,

**RE. - PRODUCT PERFORMANCE CERTIFICATE**

We have successfully used the following products manufactured by Redwop Chemicals Pvt. Ltd. in our various projects:

1. Redoseal WS-100 – Weatherproof Silicone Sealant
2. Redoseal 600-Structural Glazing Adhesive
3. Teratite Gold (C2TE) – Tile Adhesive
4. Teratite Platinum (C2TE S1) – Tile Adhesive

All the above-mentioned products have shown excellent performance in terms of strength, bonding, durability, and overall application quality. In particular, Teratite Gold and Teratite Platinum adhesives have proven to offer high strength and outstanding quality, making them highly reliable for professional use.

We are fully satisfied with the product performance and technical support provided by Redwop Chemicals Pvt. Ltd, and we look forward to continuing this strong business relationship.

  
Yours faithfully,
